## KCKCC Graduation Requirements Worksheet

### Responsibility of the Student

It is the responsibility of the student to know and to observe the requirements of his/her curriculum and the rules governing academic work. Although the advisor will attempt to help the student make wise decisions, the ultimate responsibility for meeting the requirements rests with the student.

The student's total program must contain a minimum of 60 semester hours of academic work with a cumulative grade-point average of not less than "C" (2.0). Candidates for this degree must present an organized program of study which meets the following core requirements. Authority for substitutions must be obtained from the Provost.
