BOOSTER CLUB

INVITATION

The Kansas City Kansas Community College Athletics Department invites you to join our booster club to show your support for KCK student-athletes as they commit themselves to excellence in the classroom and throughout athletic competition. Your financial contributions will positively influence their opportunities and help each student-athlete have an invaluable experience at KCK.

As a member of the NJCAA, KCK offers financial assistance to its student-athletes in the form of scholarships. Fundraising thus becomes a large component of our department as we strive to bring in funds to meet the needs of each program. Please review the giving levels and the gifts accompanying each and assist us any way you can.
